

Subject:	Primary Care Commissioning Report
Presented By:	Fiona Theodom, NHS England
Submitted To:	Primary Care Joint Commissioning Committee 25 th August 2016
Purpose of Paper:	Discussion
Summary: The report seeks to provide the joint committee with an overview of the key medical issues being managed by the NHS England Primary Care team for the Norwich CCG area. Overview This is the fourth report submitted by the Primary Care Commissioning team and outlines the key areas that the Primary Care Team are currently actively engaged in. The report also provides details of General Practice Quality Issues to illustrate the ongoing work required by the primary care team in improving quality	
Recommendation: To Note.
