

Subject:	Primary Care Commissioning Finance Report
Presented By:	Tracy Lewis, NHS England
Submitted To:	Primary Care Joint Commissioning Committee 27 th October 2016
Purpose of Paper:	Discussion
Summary: In 2016/17 joint commissioning arrangements are limited to general practice services. The following report provides an overview of the budgets associated with Norwich CCG and the context within the overall Primary Care Medical financial position. Future period reporting will focus on information around year to date and year end forecasts. All detail is dependent upon the accuracy of the coding within the financial system.	
Recommendation: The Joint Committee is asked to note the Month 6 financial performance position
