Freedom of Information Request

I would like to request a copy of the abortion consent forms that are used in the services covered by the CCG, whether undertaken in an NHS facility or in the private/independent sector.

I would also like to request any document you may have that approximates to an account of the pathway that a woman goes through from the point of requesting to undergoing an abortion.

NHS Norwich CCG response

The CCG would like to respond as follows:

NHS North Norfolk and NHS Norwich Clinical Commissioning Groups commission abortion services from Marie Stopes International. The CCGs do not hold a copy of the consent form.

The CCGs also do not hold any other documents in relation to the pathway that a woman goes through from the point of requesting to undergoing an abortion.

Please therefore direct your request to Marie Stopes International in order that a response may be provided.
