Freedom of Information Request

We would like to be sent a file containing contact information for the GP Practices in your CCG.

Please supply email contact details, and / or fax numbers, for each practice. Ideally the file you send should include data, for each practice, for one or more of the following headings: GP Practice Code, GP Practice Name, GP Practice Address, Telephone Number, E-mail Address and Fax Number.

These contact details are used for work purposes, and so should not be considered exempt under Section 40 of the Freedom of Information Act 2000. This information is not always listed on NHS Choices (particularly e-mail address & fax), so is not readily available in the public domain.
