5. Please provide a list of Hospitals/outside NHS services, telephone number, addresses, this is commissioned for Autistic Service users.
6. Please provide details of Budget/Ring fenced or otherwise.

### **NHS Norwich CCG response**

NHS Norwich CCG would like to respond as follows:

- 1) For Children the service for autistic people is provided by Norfolk Community Health and Care NHS Trust – Starfish and Starfish plus.

Adult Asperger Syndrome diagnosis is undertaken by Asperger Service Norfolk (ASN) which is a partnership of Norfolk Community Health and Care NHS Trust, Norfolk County Council and Asperger's East Anglia

There is no autism diagnostic service for adults apart from Asperger's Syndrome / high functioning Asperger's

- 2) This information needs to be sourced from the provider organisations stated below. Please contact them direct to obtain this information.

NR2 3TU  
01603 697300

- 6) The value of the funding dedicated to this area of provision is difficult to precisely detail as the Norfolk Community Health and Care NHS Trust (NCHC) contract is a block arrangement therefore the services for people with Autism is part of a large overarching contract. The dedicated funding for the other services commissioned is 200K, which is a joint funding arrangement between Norfolk CCG's (North, South, West and Norwich) and Norfolk County Council. This figure does not include individual packages of care or where services have been provided as reasonable adjustments.
